TO GREAT PERFORMANCE

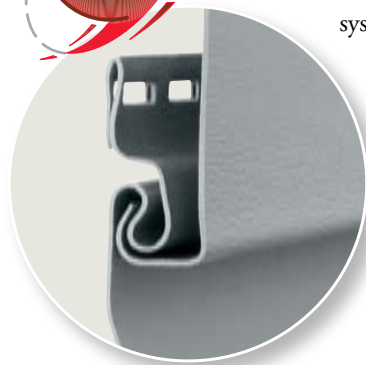

Grand Junction provides superior value in a top-quality, high-performance solid vinyl siding panel. **Grand Junction** Premium Vinyl Siding replicates the look of cedar, but its revolutionary polymer surface can withstand many of the elements that erode wood finishes over time.

GRAND JUNCTION PREMIUM VINYL SIDING'S DURABLE, SUPER TOUGH CONSTRUCTION MEANS IT WILL STAND UP TO WHATEVER THE ENVIRONMENT HAS TO OFFER. UNLIKE OTHER EXTERIOR SIDING PRODUCTS, IT RESISTS DENTING AND IS LOW-MAINTENANCE WHICH MEANS YOU WON'T EVER SCRAPE, SAND OR PAINT AGAIN. LEAVING YOUR HOME WITH LASTING BEAUTY WHICH CAN HELP INCREASE IT'S RESALE VALUE.

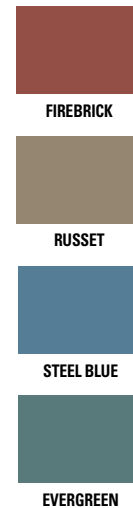

Colors are mechanically reproduced. For color accuracy, please see actual product sample.

GRAND JUNCTION'S EXCLUSIVE RAILOCK® SYSTEM IS WHERE SIDING PANELS COME TOGETHER...FOR GOOD!

Grand Junction's exclusive RaiLock® system features a tough lock that snaps together so firmly, it will hold the panels straight and true—even against hurricane-force winds.

DESIGNER COLLECTION

Grand Junction Premium Vinyl Siding includes an array of natural colors as well as a beautiful collection of darker colors with tremendous home owner appeal which resists fading and discoloring.

Designer Collection colors feature ColorHold® acrylic technology, which gives Grand Junction Premium Vinyl Siding excellent weathering properties for superior fade resistance.

This is a visual representation of the actual fade that can be expected on standard vinyl siding vs. Grand Junction Premium Vinyl Siding. Colors shown are as close as the lithographic process will allow.

DON'T LET INFERIOR SIDING RUIN THE GOOD LOOKS OF YOUR HOME.

COLORHOLD®
Stylish for Living, Designed for Life

With ColorHold® acrylic technology, it's easy. The color you choose today will be the color you see tomorrow, next year, and for years to come. We're so sure of superior weathering performance that **Grand Junction** Premium Vinyl Siding comes with a Limited Lifetime Transferable Warranty* with Lifetime Fade Protection.

ColorHold® acrylic technology not only provides superior weathering properties, it also provides superior performance over a broader range of the color spectrum than standard vinyl.
