Subject: FBC Shingle Wrapper Relative to ASTM D7158

Dear Ms. McSorley:

This is in response to your request of 7 December 2006 to identify the products that are Listed with Underwriters Laboratories Inc. to various Standards.

Currently, the shingle products shown below are Listed with Underwriters Laboratories, Inc. under the product category Prepared Roof Covering Materials (TFWZ) and are currently eligible to bear the following adjunct statement as part of the Listing Mark of Underwriters Laboratories Inc.:

- a. "Also Classified in Accordance with ASTM D7158 as to Uplift Resistance Class H"

Camelot™
Country Mansion®

Grand Canyon™
Grand Sequoia®

Grand Slate™
Grand Timberline™

Jumbo™ Royal Sovereign

Marquis® WeatherMax®
Royal Sovereign® (except the Quakertown, PA facility)

Sentinel®
Slateline®

Timberline® 30
Timberline Select 40™

Timberline Ultra®

The above products have been tested to ASTM D7158 (secured with 4 nails) and have successfully met the acceptance criteria for Class H.

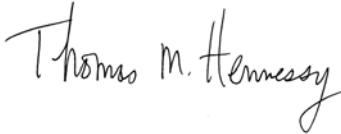

The UL Listing Marking on the product or carton is the only method provided by Underwriters Laboratories Inc. to identify products, which have been produced under its Listing and Follow-up Service program.

Authorities having jurisdiction (AHJ) should be consulted in all cases as to the particular requirement covering the installation and use of UL Listed or Classified products, equipment, systems, devices and materials.

If you have any questions or comments, please feel free to contact us.
